

# The Wheel of Fortune

From the shores of Blackness Castle  
To the heart of Falkirk town  
Goldseekers are sailing onwards  
Following the sound

**(Chorus)**

**Wheel of Fortune spins around  
Ahead we sail on high seas  
Raise the flag and hoist the rigging  
Batten down the hatches**

For we seek the Wheel of Fortune  
Oh, that treasure must be found  
Goldseekers are sailing onwards  
Coming to your town

**(Chorus)**

We are sailing on the high seas  
Searching for the treasure  
Goldseekers are sailing onwards  
Through the stormy weather

**(Chorus)**

We must solve the riddles many  
Reading rhythms from our map  
Goldseekers are sailing onwards  
Treasures in our grasp

**(Chorus) X2**
